ACA Oregon Website Redesign!

There is a redesign effort underway for acaoregon.com

We welcome community input as we wrap the design phase and prepare for launch.

Specifically, we invite you to assist in reviewing the current design:
• Knowing it is currently incomplete (making this an ideal time to revise it).
• Accepting that not all suggestions will be incorporated into the final version.
• Understanding that this work is offered in a spirit of service, not perfection.

The stated purpose of the program is “… to carry the message of recovery to all who suffer from being raised in an alcoholic or dysfunctional environment.”
• Does this site serve that aim?
• How could it be improved?

Does it serve you, the existing member adequately?
• How might that be improved?

Your input is welcome as we iterate this community asset.

Thank you!
